

Cordial invitation to the
Summer Weekend 2018 and the 41st Troll-Rallye

The "Saab Freunde Erftkreis" were established in the year 1978. Therefore we are to drink a toast to our 40th anniversary in 2018. In the year of our anniversary, we are going to carry out our traditional summer weekend and the 41st Troll-Rallye in the vicinity of our home which we would like to show and share with you as Cologne, Aachen and the Eifel region are not far at all.

With Obbendorf Castle in D-52382 Niederzier-Hambach, we have certainly found an appropriate venue where we would like to welcome you in a unique atmosphere amidst beautiful scenery. The owners of the family business Stephanie and Heinrich Müller delightedly await our Saab meeting.

Once again, this year we will kick off the official meeting at noon time on Friday, May 11, 2018. For Friday afternoon, we are planning to take our cars out on a tour.

The total participation fee covers two overnight stays including breakfast, the dinners on Friday and Saturday night as well as the Saab excursion on Saturday and a coffee break along the way.

We are going to start the Troll-Rallye on Saturday at noon at Obbendorf Castle in Niederzier-Hambach, expecting to arrive at the finish line in the early evening. It is our goal to prepare a calm and placid Saab excursion with plenty of time to experience the country and its people as well as enough opportunities to exchange views among Saabists.

On Saturday, after dinner we will proceed with the award ceremony of the 41st Troll-Rallye and then continue our open-end evening with a raffle.

The Sunday morning will be fully characterized by the griffin and our vehicles. We are going to organize a small parts market. Exhibitors and vendors are cordially invited to join us, which we will not charge any fees for. Registration is required, though, and exhibitors are expected to bring their own stalls.

By our experience from previous meetings, we know that participants who need to travel a long way are likely to arrive already on Thursday. Although we do not offer an official pre-program on Thursday, nothing speaks against going on a Saab excursion together on Thursday afternoon to explore the surroundings.

An early arrival on Thursday is possible as we have reserved a number of rooms for that night. The costs for the additional night amount to 55 € per person in a double room or 70 € in a single room.

The fee for the entire summer weekend including participation in the 41st Troll-Rallye, both overnight stays and the collective dinners on Friday and Saturday night amounts to 185 € per person in a double room. In a single room, the participation fee amounts to 215 €.

If you wish to stay for only one night on Saturday, we charge 110 € per person/double room or 125 € per single room for that one night, participation in the Troll-Rallye and dinner on Saturday night. Extra beds to make triple rooms are available for 25 € and will be charged accordingly on the invoice.

Payments for drinks have to be settled on site on all days.

For the participation in the 41st Troll-Rallye and the dinner on Saturday only we charge a fee of 60 € per person.

We kindly ask you to use the registration form attached.

The registration deadline is on

March 2, 2018.

At the end of March, we are going to send invoices asking to settle all payments by mid-April.

We cordially invite all members and friends of the club and of the SAAB brand to join us for our anniversary. We will be glad to welcome once again new Saab enthusiasts who up to now have been unknown to us. To everyone we address a warm welcome, no matter whether your Saab is contemporary or vintage.

Yours,

Saab-Freunde Erftkreis
